(“**Medvidi**”), a Delaware corporation, (collectively, “**MEDvidi Health**,” “**we**,” “**us**,” “**our**”) have entered a certain management services agreement.

**Who is Medvidi?** Medvidi provides management and related services to MEDvidi P.C. to ensure our members’ experience with MEDvidi Health runs smoothly. All of Medvidi’s services are non-medical and include, for example, intake assistance, scheduling assistance, software services, site maintenance, and technological support.

**Who is MEDvidi P.C.?** MEDvidi P.C. and its licensed practitioners provide Members, who are eligible and provide consent, Therapy Services, as described below. MEDvidi P.C. alone controls and supervises the Therapy Services and clinical decisions reached by Practitioners during sessions with Members.

**What is this agreement?** Please read these Member Terms and Conditions of Use (“**Conditions of Use**”) carefully, as they set forth the terms and conditions of your use of MedVidi’s platforms and mobile software applications, including but not limited to medvidi.com and the Medvidi application (“**Sites**”) when engaging with MEDVidi Health and its practitioners. Medvidi owns and maintains the Sites.

These Conditions of Use constitute a legal document. As a condition of being a Member, you must agree to be bound by these Conditions of Use. These Conditions of Use apply to members who register an account and use the Sites to obtain mental health care and related services. All Members are indirect users of the Sites, which means they will have access to the Sites’ programming interface to enable them to connect with licensed physicians and mental health care providers who are trained to provide services via remote modalities (“**Practitioners**”). Members who are eligible and render informed consent may be treated for ADHD, acute stress, anxiety, chronic fatigue, depression, insomnia, phobia treatment, post-traumatic stress disorder, weight loss needs, obsessive-compulsive disorder, and related conditions (“**Therapy Services**”).

**Therapy Services are not emergency services. If you experience a medical emergency (including suicidal or homicidal thoughts), you should immediately call 911 or visit your nearest emergency room**

We may alter these Conditions of Use without notice, and the Member’s continued use of the Sites signifies an agreement to be bound by any future changes. You are encouraged to review these Conditions of Use at regular intervals to monitor updates. If you do not agree, you should not register an account on our Sites. Please read these Conditions of Use carefully.

**THIS IS A LEGAL DOCUMENT. YOU MUST AGREE TO BE BOUND TO THESE CONDITIONS OF USE IN ORDER TO RECEIVE SERVICES FROM THE SITES. IF YOU**

**DO NOT AGREE TO THESE CONDITIONS OF USE, PLEASE DO NOT USE THE SITES.**

**ALL FEES, IF ANY, PAID TO MEDVIDI ARE SOLELY BASED ON THE FAIR MARKET VALUE OF ANY SERVICES THAT ARE PROVIDED TO YOU, INCLUDING PROPRIETARY TECHNOLOGY, PLATFORM OFFERINGS, AND SUPPORT. FEES PAID BY YOU TO MEDVIDI ARE NOT BASED ON A PERCENTAGE OF PROFESSIONAL FEES RENDERED BY MEDVIDI P.C. OR THE VOLUME OR VALUE OF MEDVIDI P.C. SERVICES.**

**SECTIONS 19, 20, 21, AND 26 LIMIT MEDVIDI HEALTH'S LIABILITY. PLEASE READ THEM CAREFULLY.**

You accept responsibility for all activities that occur under your username and with your password. You further agree to sign out of your account after each session and use caution when accessing your account from a public or shared computer. MEDvidi Health is not responsible for any loss or damage that arises due to your failure to maintain the security of your account.

- (b) Creating an account will allow you access to the Therapy Services. You may be asked to provide your insurance information, if applicable to you, and your provision of Personal Health Information (“PHI”). Your provision of PHI is voluntary. If you have health insurance, your insurance may cover all or a portion of your Therapy Services. By providing your insurance information, you authorize MEDvidi Health to submit claims and bill Therapy Services to your insurer on your behalf to process payments and reimbursements. Please note that it is your responsibility to know your benefits, including any applicable co-payments, co-insurance, deductibles, out-of-network limits, prior authorization requirements or any other limit to your health insurance benefit. We encourage you to contact your insurer if you have questions about coverage for Therapy Services. You are ultimately responsible for payment of all fees arising out of your membership. If payment is not provided within the time period specified to you, you are obligated to pay your full account balance immediately. Charges include but are not limited to cancellation fees, no-show fees, and rescheduling fees.
- (e) All payments provided by Members can be made through a credit card using a third-party vendor integrated into MEDvidi Health (“Payment Processor”). Payment processing services for all fees incurred as a result of your membership are subject to a Payment Processor’s third-party terms of service. By agreement to these terms of service or continuing your membership, you agree to be bound by the Payment Processor terms of service, as modified from time to time with or without notice. As a condition of MEDvidi Health enabling payment processing services through the Payment Processor, you agree to provide accurate and complete payment information and you authorize us to share it

and other transaction information related to your use of payment processing services by the Payment Processor for the sole purpose of processing payments.

- (f) By providing payment information to us, you grant the Payment Processor and us your consent and authorization for your credit card to be charged for any fee for your continued membership. All overdraft, chargebacks, and bank fees are solely your responsibility. We will notify you in advance of fee increases prior to you being billed. We do not offer refunds.
- (g) BY REGISTERING AS A MEMBER, YOU AGREE TO PAY ANY FEES ASSOCIATED WITH YOUR MEMBERSHIP. THE FEE WILL AUTOMATICALLY BE CHARGED TO YOUR PREFERRED PAYMENT METHOD. YOU AGREE THAT THE FEES WILL INCLUDE APPLICABLE TAXES UNTIL YOU CANCEL YOUR REGISTRATION. IF YOUR PAYMENT METHOD FAILS AND YOU DO NOT PAY OR DO NOT PAY ON TIME, WE MAY CANCEL OR SUSPEND YOUR ACCOUNT.
- (h) Any fee are exclusive of value-added, goods and devices, sales, or other tax. You are solely responsible for such payment and compliance with such tax obligations.

## **24 No Assignment**

- (a) The Conditions of Use, licenses, and Registrations may not be transferred or assigned by you but may be assigned by us without restriction.

## **25 Applicable Law and Enforcement of Conditions of Use**

- (a) The laws of the state of California, without giving effect to its principles of conflicts of law, govern all adversarial proceedings arising out of these Conditions of Use. If a website visitor or Member takes legal action against us relating to the Site's privacy policies, the federal and state privacy policies of MEDVidi P.C., or these Conditions of Use or relating to the visitor's or Member's interactions with or relationship to MEDvidi Health relating to the Site, that visitor or Member agrees to file such action only in the state and federal courts located in California.
- (b) By using the Sites, you agree that: (i) if any provision of these Conditions of Use is held to be unenforceable, then that provision will be modified to the minimum extent necessary to make it enforceable, unless that modification is not permitted by law, in which case that provision will be disregarded; (ii) that if an unenforceable provision is modified or disregarded in accordance with this paragraph, then the rest of these Conditions of Use will remain in effect as written; and (iii) that any unenforceable provision will remain as written in any circumstances other than those in which the provision is held to be unenforceable.
- (c) No waiver of any of these Conditions of Use shall be effective unless it is in writing and signed by the authorized representatives of MEDvidi Health. No such waiver shall be deemed a further or continuing waiver of such term or any other term or condition of use.
- (d) These Conditions of Use constitute the entire agreement between you and MEDvidi Health as it relates to your use of the Site. It does not create any relationship between you and MEDvidi Health that is not contemplated in these policies.

## **26 Arbitration**

- (a) Arbitration offers a faster, less expensive, and more efficient method of resolving disputes than resorting to the court system. MEDvidi Health has therefore adopted, and

Member agrees to adopt, arbitration as its preferred means of resolving disputes arising out of or relating to these Conditions of Use or the subject matter of these Conditions of Use, or any breach of these conditions of use, including any dispute regarding the scope of this clause. Such disputes will be resolved through arbitration administered by the American Health Lawyers Association (“AHLA”) Dispute Resolution Service and conducted under the AHLA Rules of Procedure for Arbitration. Judgment on the award may be entered and enforced in any court having jurisdiction. The arbitrator selected shall have the authority to grant the Member of MEDvidi Health or both all remedies otherwise available by law. The parties understand they are waiving their right to a jury trial in favor of arbitration.

- (b) This provision does not include any claims that Member cannot be required to arbitrate as a matter of law or any matters required to be brought before an administrative forum. These Conditions of Use do not preclude the Member from filing a claim or charge with a governmental administrative agency.
- (c) This agreement to arbitrate disputes does not prohibit the Member or MEDvidi Health’s right to seek equitable relief from a court, including but not limited to injunctive relief, pending the resolution of a dispute by arbitration.

## **27 No Third Party Beneficiaries**

- (a) Except as otherwise expressly provided in the Conditions of Use, no person that is not a party to the Conditions of Use will be a third-party beneficiary of any rights or obligations or be entitled to enforce any rights or obligations.
